## DUI PROGRAM LICENSE NUMBER DESCRIPTION

Licensed programs are listed by county. Each organization is identified within a county by a three-digit code. Any program number other than 01 indicates that the organization has more than one licensed program within that county. The last three digits indicate the level of service licensed in sequential order. A "1" indicates a first offender program; "2" an 18-month multiple offender program, and "3" a 30-month multiple offender program. A "0" indicates that the program is not licensed to provide that level of service.
